Rakoon Sound Studios
Ableton Acceleration Program:
Art of Electronic Music Production with Live 10

Instructor: Kiva

Elevate your skills as a music producer and knowledge of Ableton with the Ableton Acceleration Program! Designed and taught by veteran producer and world renown Ableton Certified Trainer Kiva, this is an intensive course designed to teach you all the necessary skills to begin writing and completing your own unique musical creations.

This comprehensive course guides students through all the essential knowledge of producing music and working with Ableton Live 10, from foundation basics to advanced production techniques.

Class topics include:

Interface and Navigation
Warping Audio
Arranging and Editing
MIDI Recording Techniques
Drum Programming
Recording External Audio
Synthesis
Audio Effects
Mixing Techniques
Mastering Essentials
and much more.

This course consists of 6 levels of instruction and total duration of the course is 3 months long. Classes meet 3 times a week and each class is two hours long. In addition, there is a special mid-term student music review class and a final student project presentation class where students will get a chance to showcase their latest musical creations, share advice with their classmates, and receive personalized guidance from the instructor to improve their song and music production skills.

Classes are held at Rakoon Sound Studios, a state of the art recording facility located in Mid-Town Miami.

This course is open to artists, musicians, and producers of all musical styles and backgrounds who are ready to learn the art of music production and unlock their creative potential with Ableton Live 10. Reserve your seat now and prepare for launch with the Ableton Acceleration Program!
